

# SIGN UP FOR A POLLEVERYWHERE ACCOUNT

1. Go to <http://polleverywhere.com>. Click the “Sign up” link in the upper right corner of the screen.

2. Under the “Free Plan Signup,” complete the registration information (be sure to check the “I am an educator” box for extra features):

**Free plan sign up**  
This is your last stop before you're creating polls.

Instant setup  
In about 30 seconds you'll be creating text message and web enabled polls.

Everything you need  
No additional hardware, setup, or contracts required. We did all of the grunt-work for you; everything works through the web.

Captivate your audience  
Create amazing presentations by showing your polls right in PowerPoint.

We'll turn on education features. (Like what?)

I am an educator  
 I am a K-12 educator  
 I am a Higher Education educator

For example: Grading, student management, and collections of good polls for educators. We're adding more all the time.

3. Click “Sign up for my Poll Everywhere account.”

What country will people be texting us from?
